

Dear (Person's Name),

As you may know, (Student's Name) is getting confirmed this May in the Catholic Church. At our church, it is a tradition to collect Letters of Support for the young person getting confirmed. It is up to the family to reach out to other family members, friends, and role models/teachers/coaches that have played and continue to play an important role in the young person's life. The letters are meant to show the young person how much support they have in this world and that God is not asking them to walk this path alone. These letters are an excellent representation of how loved they truly are.

We think that you are such an important part of (Student's Name)'s life and would love for you to write a letter. The letter is meant to contain encouragement, love, congratulations, and any sort of wisdom you may wish to offer. There is no exact rubric because each letter should be personal and 100% from you. You can type the letter, write it, or whatever is best for you.

If you are able to write a letter, please send it to us by **April 22nd**. If you are typing it, you can send it to the following email: **Your Email**

If you are writing the letter, please send it to the following address:

Your Address

We are so grateful for the impact you have had on our child. Please keep him/her in your prayers as he/she draws close to their Confirmation.

Sincerely,

Your Name
