All things are passing;
God never changes.

THIRTEEN YEARS OF PERPETUAL ADORATION

On October 1, 2005, the Feast of St. Therese, Perpetual Adoration began here at SEAS. After 16 years of "partial adoration" it was a special joy to go to 24/7 adoration. **THANK YOU** to the wonderful committed pray-ers and substitutes who have made it possible!

And, special thanks to Our Lord for being there for us and for the many graces and blessings that have been granted through adoration!

Please pray that many more people will be drawn to adoration and that there will always be enough committed pray-ers to keep adoration 24/7.

CONFIRMATION STUDENTS IN THE CHAPEL

We look forward to seeing many young people in the chapel this year. The Confirmation students are being asked to complete 9 hours of adoration by May 12, 2019. It averages about 15 minutes a week. The hope is that they will really fall in love with adoration and also gain a better understanding of what it means to pray frequently.

There is a separate sign in binder for them to use when they check in.

When you see them, please pray for them, that this Confirmation year will be a special time for them to grow closer to Our Lord and His Church.

MAY THEY REST IN PEACE

Please pray for the repose of the souls of Dorothy Raway and Inge Forsmark. They were committed pray-ers for several years. Dorothy was also the Morning Division Leader at one time.

HELP WANTED

It would be good to have one or more persons who would be willing to be "adoration promoters". This could be done by means of providing short "info spots" for the monitor and the bulletin and by any other creative ways to promote adoration. The goal is to help people understand the blessings and value of Eucharistic Adoration and hopefully to become committed pray-ers. If you might be interested in something like this, please call Mary Ann at 437-4546.

STEVE AND THE HOST MAKING MACHINE

Last summer, Bishop Cozzens asked adoration pray-ers in the Archdiocese to help buy a machine for making Holy Communion hosts. A diocese in Zambia was in great need of a new machine. Steve Strauss, of SEAS and a night time adoration pray-er, volunteered to go to Zambia to teach the people how to use the machine. He recently returned.

THANK YOU, STEVE - for generously sharing your time and talents!!

ELECTION PRAYERS

Tuesday, November 6, is General Election Day. Please pray for guidance for the voters. If possible, please spend some extra time in prayer on Monday, November 5 and on election day.

JESUS , WE TRUST IN YOU!
