Join us as Amy Tadlock, Canon Lawyer, shines a light on declarations of nullity (annulments). She will explain the process, including the recent changes instituted by Pope Francis, and welcome questions like these:

- Isn't an annulment just a Catholic divorce?
- Will my children be considered illegitimate if I seek an annulment?
- Does an annulment cost thousands of dollars?
- How did Pope Francis change the process?
- How quickly can I get an annulment?
- Do I need an annulment if I wasn't married in the Catholic Church?

**ALL ARE WELCOME!**
